## ***Metropolitan Anthony: Pastor & Priest***

### ***Conference in Memory of Metropolitan Anthony of Sourozh***

*‘I must be in your midst His witness and herald, His proclaimer, His apostle’*

Metropolitan Anthony of Sourozh

These words, spoken by Metropolitan Anthony in reference to the vocation of St Paul, could well describe his own deep sense of vocation. From the earliest days of his conversion to Christ he never ceased to bear witness to the exultant joy of what he had discovered. And throughout his life as pastor and priest he was an instrument, a voice, for the ‘*Word of God*’, which in his own words, ‘*illumines our minds and makes of us not only preachers, but witnesses of God’s Kingdom*’.

Through this witness he brought us the Gospel and a truly Orthodox understanding of ourselves, each and all, Church and people.

It is with these thoughts in mind that the ‘Metropolitan Anthony of Sourozh Foundation’ has organised this Conference. The fourth in Western Europe to be held in his memory, it will continue to reflect on his legacy, looking at him as pastor and priest, as human being and friend, as preacher and teacher. It will look at some of the things to which he bore witness: the love of Christ; the dignity of man; the ‘magisterial freedom of the Gospels’; and the Eucharist as communion with God and with one another in love.

We hope that people who knew him and also those who have only heard of him will come, reflect, share recollections, and celebrate his memory.

#### ***About the Metropolitan Anthony of Sourozh Foundation***

The work and message of Metropolitan Anthony will always live in the minds and hearts of those fortunate enough to have encountered it. The Foundation exists to help ensure that this same work will be there for many more.

*If you wish to make a donation there will be a retiring collection.*

We wish to thank the Parish of St Sava for making it possible to have our conference for a fourth time in their beautiful church hall.

Metropolitan Anthony and Father Nikolich – late of this parish - were firm friends, as have the Serbian and Russian Churches always been.
