A Living Legacy: The Shining of Eternal Life

Conference in Memory of Metropolitan Anthony of Sourozh

Since the incarnation of our Lord and God ... time and eternity are no longer divided; the fullness of eternity runs through time as the presence of God is there in our midst, and time is carried on the waves of eternity.

Metropolitan Anthony of Sourozh

These words, spoken so often by Metropolitan Anthony, were at the heart of his life and vision. His life-changing encounter with Christ, his incandescent faith, and the shining of eternity which so often filled him, bore witness to the reality of Divine love, its power to break into our lives, to transform and bear fruit. For many, an encounter with him became an encounter with eternity.

It is with these thoughts in mind that the 'Metropolitan Anthony of Sourozh Foundation' has organised this Conference. The fifth in Western Europe to be held in his memory, commemorating the tenth anniversary of his death, it will continue to reflect on his legacy in the light of encounters with eternity. We will look at different aspects of that encounter: encountering Christ in prayer and action; communion with God directly in contemplative prayer, and indirectly through His Creation; encounter with Divine love in the heart of tragedy and persecution; and encounter with eternal life in suffering and death. We hope that people who knew him and also those who have not will come, and in celebrating his memory, discover, explore and reflect on his vision and ideas and their implications for our lives today.

About the Metropolitan Anthony of Sourozh Foundation

The work and message of Metropolitan Anthony will always live in the minds and hearts of those fortunate enough to have encountered it. The Foundation exists to help ensure that this same work will be there for many more.

If you wish to make a donation there will be a retiring collection.

We wish to thank the Parish of St Sava for making it possible to have our conference for a fifth time in their beautiful church hall.

Metropolitan Anthony and Father Nikolich – late of this parish - were firm friends, as have the Serbian and Russian Churches always been.
